CHIEF OF POLICE ,

This letter is to commend you and the City of Oak Forest for the service and professionalism that Officer Daren Lorek # 169 displayed in the performance of his job. On the evening of Jan. 15, 2011 I had a accident at 168th and Cicero. I called 911 and was connected to Country Club Hills . An officer arrived and said “ this wasn’t their district “ he called his dispatcher , with in a few minuets Officer Lorek came .That’s when the whole experience became pleasant for myself and my two passengers (all seniors) . He was ever so courteous and showed sincere concern for our safety and if anyone was injured . We were on our way to dinner at Benny’s Steak & Lobster at 20854 So. Cicero. My car wasn’t drive able , he explained my options about a tow and requested a community service vehicle to take us their. After all ,we were almost their and it didn’t make any sense to go home hungry . A vehicle was available , and that young man was courteous and congenial . I’m sorry ,but I don’t remember his name .`Officer Lorek and the Community Service Person help make the situation not seem so bad. Thank you for having such capable people in your department.

Sincerely,

Claressia D. Wade
