

Commissioners of the Friends of Oak Forest Animal Control Commission

Meeting Agenda *Wednesday, October 23, 2019*

- Financial Report – September, 2019
 - Upcoming Bingo Revenue
 - Oak Fest Check – Thursday, October 24th

- Changes to Future Fundraising
 - Due to audit issues, and lack of city oversight of Commission fundraising activities, we will be working with the City and will be creating a budget for our commission. The good news is that with a proper budget that is funded annually will eliminate the need for fundraising efforts. Oak Fest is an approved charity with the city, and it is specifically for the fundraising efforts of local charitable groups, so we will be able to continue participating. I will be asking OakFest for additional hours going forward – so with no other fundraising obligations, I’m hoping more volunteers will grab hours.
 - Bad news is, one catastrophic animal illness or injury could have the potential to wipe out a budget quickly. We will not be allowed to use “Go Fund Me” in the cities name. In this instance, we would need to transfer the animal to rescue quickly, and commit to helping the rescue raise funds for the animal’s medical.

- Upcoming Bingo
 - Last Minute needs?

- Outreach Events
 - City Christmas Tree?
 - Holiday party for volunteers?

- Old/New Business

- Adjournment
