

BRANCH PICKUP PROGRAM

**WE CANNOT FULFILL YOUR
REQUEST FOR BRANCH
PICKUP BECAUSE:**

1. _____ Branches must be stacked neatly at the street, behind the curb.
2. _____ Must be layed in one direction with cut ends towards curb.
3. _____ Must be free of foreign material.

4. _____

**City of Oak Forest
Public Works Department
(708) 535 - 4090**

Weekly branch collection by Nuway

Residents may dispose of branches each week from April 1st – November 30th with their normal refuse

pickup. Nuway Disposal will pick up bundled branches (up to 3-1/2" in diameter) no more than four feet in length, and no heavier than 50 lbs. per bundle on your regular trash day.

Monthly branch collection by City

Public Works offers a monthly branch pickup service to encourage pruning and trimming on private property. Pickup beginning on the last Tuesday of every month from April 1st through November 30th is by appointment only.

Please note the City's branch program is intended to assist residents with tree trimming – it is not for tree removal services.
If you are removing an entire tree, contact a private tree service for the disposal of branches & logs.

Appointments for the monthly brush pickup may be made by contacting the Public Works Department at
(708) 535-4090.
